

LOOK UP, LOOK UP!

AGES
4-6

Read-together book

kite

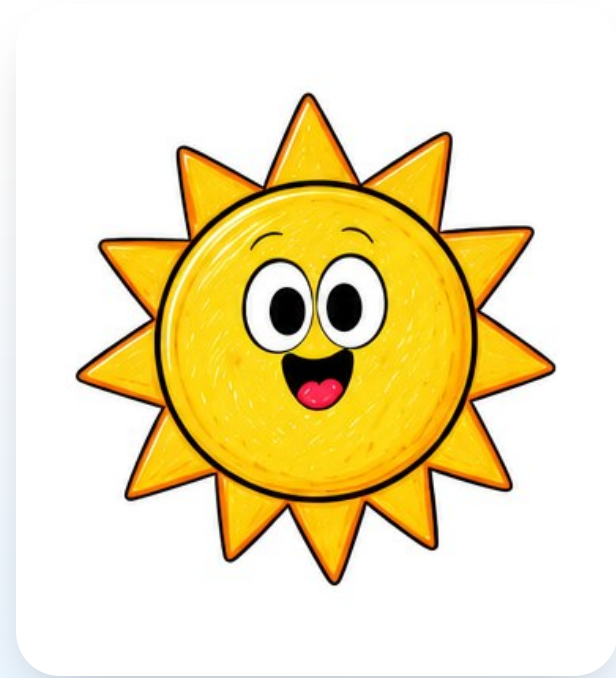

rainbow

moon

13 pages Days 11 to 14

- Look up, look up! What is there?
The sun! Tilly finds the sunglasses.

Ask: Why does Tilly want sunglasses on a sunny day?

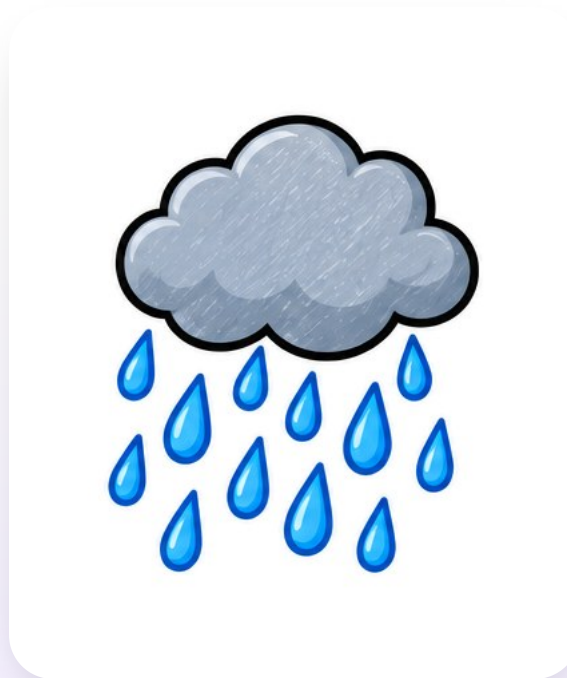

- Look up, look up! What is there?
A cloud! Pip gets a jacket.

Ask: How does it feel outside when a cloud covers the sun?

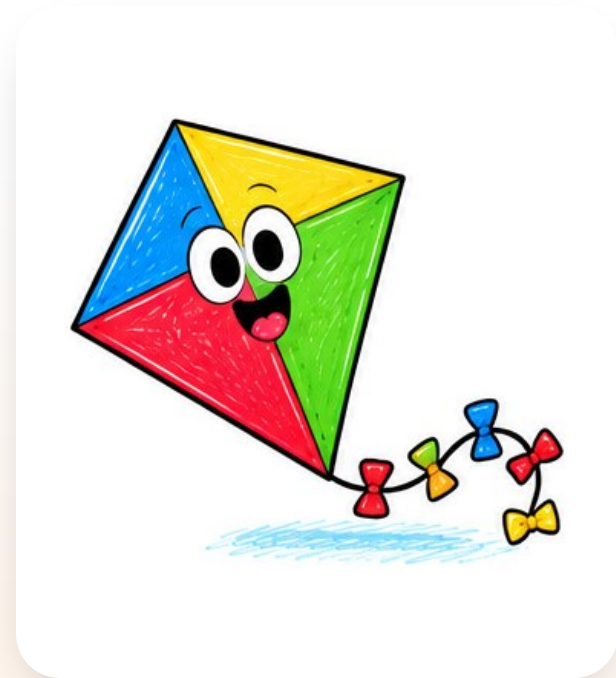

- Look up, look up! What is there?
The rain! Rusty gets the umbrella.

Ask: How does an umbrella help Rusty in the rain?

- Look up, look up! What is there?
More rain! Splash like the puddle.

Ask: What makes a puddle?

- Look up, look up! What is there?
The wind! Hoot flies the kite.

- Look up, look up! What is there?
A rainbow! Comet loves the rainbow.

Ask: When have you seen a rainbow in the sky?

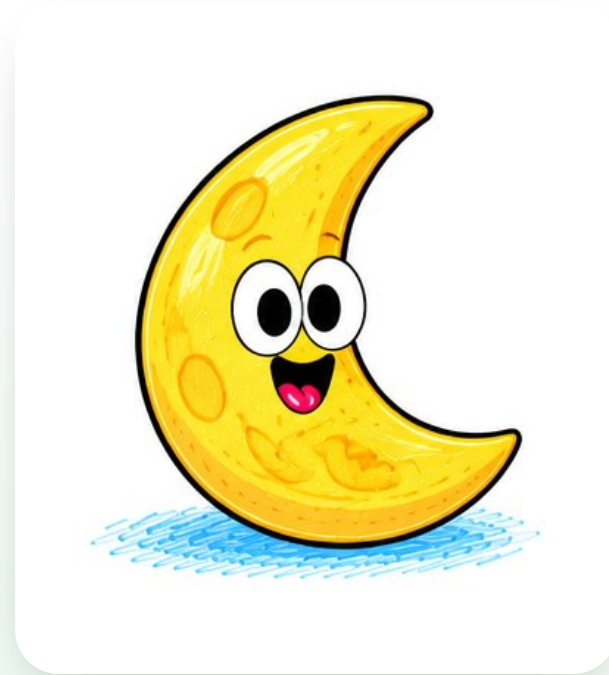

- Look up, look up! What is there?
A snowflake! Tilly finds a scarf.

Ask: What kind of weather brings snowflakes?

- Look up, look up! What is there?
Snow! Pip and Rusty make a snowman.

Ask: What would you use to make a snowman?

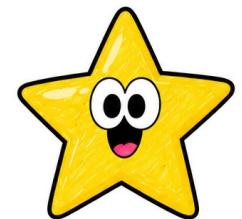

- Look up, look up! What is there?
The moon! Hoot says, "Hoo, hoo!"

Ask: When do we see the moon in the sky?

- Look up, look up! What is there?
A star! Comet makes a wish.

- Good night, moon. Good night, stars.
The friends say, "Good night, sky!"

Ask: What was your favorite thing the friends saw in the sky?

The End

You read it!

Read it again tomorrow: let your child point to every word.
