Watch me Say: "a: circle back, push up, pull down. m: pull down, push up, curve over; pull down, push up, curve over; pull down. s: curve back, curve forward. t: pull down, cross at the middle line. I trace 3, then I write one by myself from the green dot."

We do Write each letter in the air together, big, saying its path. Trace the first one together.

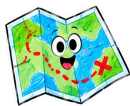

You do Your child traces 3 of each from the green dots, then writes one alone in the last space, saying the path.
